

24th Australasian Conference ACISP 2024 Christchurch New Zealand July 2024

The 24th Australasian Conference on Information Security and Privacy (ACISP 2024) will be held in Christchurch, New Zealand, from July 8-10, 2024. The conference will bring together leading researchers and practitioners from around the world to discuss the latest advances in information security and privacy.

ACISP is a premier international conference in the field of information security and privacy. The conference provides a forum for researchers and practitioners to present and discuss their latest research findings, and to exchange ideas and experiences.

The theme of ACISP 2024 is "A Journey into the Future of Information Security." The conference will explore the latest trends and challenges in information security and privacy, and will provide a glimpse into the future of these fields.

Information Security and Privacy: 24th Australasian Conference, ACISP 2024, Christchurch, New Zealand, July 3–5, 2024, Proceedings (Lecture Notes in Computer Science Book 11547) by Venkat Subramaniam

The conference program will include a mix of invited talks, research papers, and workshops. The invited talks will be given by leading researchers from around the world, and will cover a wide range of topics in information security and privacy. The research papers will be selected through a rigorous peer-review process, and will present the latest research findings in these fields. The workshops will provide an opportunity for participants to learn about new topics and to exchange ideas with other researchers and practitioners.

ACISP 2024 will be held at the University of Canterbury in Christchurch, New Zealand. Christchurch is a vibrant and cosmopolitan city, with a rich history and a thriving arts and culture scene. The city is also home to a number of world-class universities and research institutions.

The conference organizers are expecting a large number of participants from around the world. The conference will be an excellent opportunity to network with leading researchers and practitioners, and to learn about the latest advances in information security and privacy.

- **Paper submission deadline:** February 28, 2024
- **Notification of acceptance:** May 15, 2024
- **Camera-ready paper submission deadline:** June 15, 2024
- **Conference dates:** July 8-10, 2024

Authors are invited to submit original research papers on all aspects of information security and privacy. Papers should be submitted electronically via the conference website. All papers will be peer-reviewed by a team of international experts.

Papers should be no more than 12 pages in length, including references. Papers should be formatted according to the Springer LNCS style.

Registration for ACISP 2024 will open in March 2024. The conference registration fee includes access to all conference sessions, workshops, and social events.

A number of hotels are available within walking distance of the conference venue. The conference organizers will provide a list of recommended hotels on the conference website.

For more information about ACISP 2024, please contact the conference organizers at acisp2024@canterbury.ac.nz.
