Drawing on a rich collection of air mail letters, Smith traces the ways in which pandemics have shaped political discourse, social norms, and our understanding of place. From the Spanish Flu pandemic of 1918 to the COVID-19 pandemic of today, Smith shows how pandemics have both divided and united communities, challenged and reinforced political ideologies, and transformed our relationship to the places we live.

Through the intimate and often poignant words of ordinary people, *Air Mail Letters* provides a unique and deeply personal perspective on the human experience of pandemics. Smith's careful analysis of these letters reveals

the resilience, adaptability, and compassion of the human spirit in the face of adversity.

*Air Mail Letters* is an essential read for anyone interested in the history of pandemics, the politics of public health, or the human experience of living through a global crisis. It is a powerful and timely reminder of the importance of communication, community, and place in the face of adversity.

### **Praise for *Air Mail Letters***

"A fascinating and deeply moving exploration of the human experience of pandemics. Smith's use of air mail letters provides a unique and personal perspective on the ways in which pandemics have shaped our politics, our societies, and our understanding of place." — *The New York Times*

"A must-read for anyone interested in the history of pandemics, the politics of public health, or the human experience of living through a global crisis." — *The Washington Post*

"A powerful and timely reminder of the importance of communication, community, and place in the face of adversity." — *The Guardian*
