

Discover the Intricate World of EU Antitrust Law: An In-Depth Exploration with *Eu Antitrust Procedure* by Ekaterina Rousseva

Unlocking the Complexities of EU Antitrust Enforcement

In the ever-evolving landscape of global commerce, understanding the intricacies of antitrust law is paramount for businesses operating within the European Union (EU). Ekaterina Rousseva, a renowned expert in EU antitrust law, presents a comprehensive guide in her groundbreaking book, *Eu Antitrust Procedure*, offering an unparalleled insight into the procedural framework governing antitrust investigations and proceedings within the EU.

A Journey Through the Procedural Maze

Eu Antitrust Procedure embarks on an in-depth exploration of the EU antitrust enforcement process, guiding readers through the labyrinthine procedural steps involved in antitrust investigations and proceedings. With intricate detail, Rousseva examines the roles and responsibilities of various EU institutions, including the European Commission, national competition authorities, and the European Courts, in enforcing antitrust rules.

Unveiling the Tools of Antitrust Enforcement

Beyond a thorough examination of procedural rules, *Eu Antitrust Procedure* delves into the arsenal of investigative tools at the disposal of antitrust authorities. Rousseva meticulously analyzes the use of dawn raids, requests for information, and inspections, providing practical guidance on how these tools are deployed to gather evidence and build a robust case.

Navigating the Complexities of Merger Control

Recognizing the significance of merger control in shaping competition dynamics, *Eu Antitrust Procedure* dedicates a substantial section to this crucial aspect of antitrust enforcement. Rousseva lucidly explains the EU merger control regime, exploring the substantive criteria used to assess

mergers and the procedural steps involved in merger investigations and decisions.

Enhancing Antitrust Skills and Knowledge

Eu Antitrust Procedure serves as an indispensable resource for legal practitioners, corporate counsel, economists, and policymakers working in the field of antitrust law. Its comprehensive coverage of EU antitrust procedures, paired with Rousseva's expert insights, empowers readers to navigate the complexities of antitrust investigations and proceedings with confidence.

About the Author: Ekaterina Rousseva

Ekaterina Rousseva is a highly respected antitrust law expert with a distinguished career at the European Commission. As a former senior official in the Directorate-General for Competition, she played a pivotal role in shaping EU antitrust policy and enforcement. Her extensive experience and in-depth understanding of the subject matter make *Eu Antitrust Procedure* an authoritative reference for antitrust professionals.

Eu Antitrust Procedure by Ekaterina Rousseva is an essential guide for anyone seeking to unravel the complexities of EU antitrust enforcement. Its comprehensive analysis of procedural rules, investigative tools, and merger control provides an unparalleled insight into this dynamic field of law. Whether you are a legal professional, corporate counsel, or antitrust enthusiast, this book will equip you with the knowledge and skills to navigate the intricacies of EU antitrust law with precision and effectiveness.
