Through personal stories and interviews, Smith argues that both groups share a common desire for meaning, purpose, and community. He also shows how atheists and religious people can find common ground on important social issues, such as poverty and climate change.

Smith's book is a timely and important contribution to the ongoing dialogue between atheists and religious people. It's a must-read for anyone who

wants to understand the different ways that people find meaning and purpose in life.

About the Author

John Smith is an atheist and a writer. He has written extensively about religion and spirituality, and his work has appeared in The New York Times, The Washington Post, and The Atlantic.
