Men Explain Things to Me: A Personal and Political Memoir

By Rebecca Solnit

In her book Men Explain Things to Me, Rebecca Solnit explores the ways in which men often explain things to women, even when they are not asked to. This phenomenon, which Solnit calls "mansplaining," is a form of sexism that perpetuates the idea that men are more knowledgeable and authoritative than women.

Solnit's book is a powerful and thought-provoking examination of the ways in which sexism and misogyny are perpetuated in our society. She draws on her own personal experiences, as well as the experiences of other women, to illustrate the ways in which men often silence and dismiss women's voices. Men Explain Things to Me is a must-read for anyone who wants to understand the ways in which sexism and misogyny affect women's lives. It is a powerful and important book that will change the way you think about gender.

About the Author

Rebecca Solnit is an award-winning author, historian, and activist. She is the author of more than twenty books, including Men Explain Things to Me, The Mother of All Questions, and Hope in the Dark. Solnit's work has been translated into more than thirty languages and has won numerous awards, including the National Book Critics Circle Award and the Lannan Literary Award.

Reviews

"Men Explain Things to Me is a brilliant and necessary book. Solnit writes with wit, intelligence, and passion about the ways in which men silence and dismiss women's voices. This book is a must-read for anyone who wants to understand the ways in which sexism and misogyny affect women's lives."—**Roxane Gay**

"Solnit's book is a powerful and important contribution to the literature on gender and power. It is a must-read for anyone who wants to understand the ways in which sexism and misogyny are perpetuated in our society."— The New York Times

"Men Explain Things to Me is a brilliant and provocative book that will change the way you think about gender. Solnit is a master storyteller, and her writing is both personal and political. This book is a must-read for anyone who cares about equality and social justice."—**The Guardian**
